5th May

PINGELLY BUSINESS SPOTLIGHT

During the COVID-19 Pandemic our local businesses are demonstrating incredible resilience and creativity in altering how they serve the community. The Shire has launched its Business Spotlight campaign on Facebook to acknowledge this effort and share how the community can continue to access local businesses during this unique time.

Pingelly-Brookton Community Bank Branches

The Pingelly branch remains open with hand sanitiser upon entry and social distancing in place when interacting with staff. All services are available online, except access to passbook saving accounts. One tip from the Branch Manager is for passbook account holders to consider opening another account which can be accessed online. For more information contact the Pingelly team on 9887 0200.

Arola's Café and Bakery

Arola's Cafe & Bakery are still providing the same menu in a takeaway format, but with also the option to purchase takeaway meals in bulk at a discounted rate. Orders and payment can be made over the phone, and the team are also providing a home delivery service for FREE. For those still entering the shop, strong social distancing measures have been introduced and the fridges have been moved to limit movement. For takeaway orders and enquiries, contact Arola and her team on 9860 6808

Pingelly Exchange Tavern

Access to the Exchange Hotel is via the Quadrant Street door with a takeaway service available. Social distancing measures are in place to limit the number of people inside at one time. The main bar will be temporarily inaccessible during the pandemic.

With the situation constantly changing, this information is correct at the time of printing, and it is encouraged to contact individual businesses for the most up-to-date information. Local Businesses requiring assistance or that would like to participate in the Business Spotlight, are encouraged to contact the Shire.

CHANGE TO COUNCIL MEETING FORMAT

The Shire of Pingelly gives notice that it will be amending the format of holding its Council and Committee meetings to include electronic communication methods from 15 April 2020 until further notice. This is in line with recent Federal and State Government directives relating to the COVID-19 pandemic and in accordance with Regulation 14E(2) of the Local Government (Amendment) Regulations 1996. Agendas for the meetings will still be available on the Shire's website by the Friday prior to the meeting.

Members of the community can submit questions for public question time in writing prior to the meeting. These should be forwarded by mail to 17 Queen Street, Pingelly 6308, or via email to admin@pingelly.wa.gov.au, by 12pm on the date of the meeting. Responses to the questions will be published in the minutes of the meeting.
