WASTE COLLECTION

Every Tuesday

RECYCLING DATES

16 June and 30 June

PINGELLY TOURISM STRATEGY WORKSHOP

A heartfelt thankyou to the representatives from local businesses, community groups and the Shire of Pingelly for attending the Pingelly Tourism Strategy Workshop on Thursday night.

Also, an extended thankyou to the team at Arola's Café and Bakery for catering the evening and showcasing our local hospitality. The evening was informative and worthwhile for understanding the varying perspectives to tourism within our community. The enthusiasm and initiative of those in attendance made our time together productive and enjoyable.

The Shire's primary objective in developing a Tourism Strategy is to articulate the actions and timeframes to achieve the community's vision for tourism, while ensuring our local businesses and tourism stakeholders are supported, to drive a coordinated approach. The Tourism Strategy will comprise the following focus areas:

- product and experience development,
- partnerships,
- infrastructure,
- marketing and promotion, and
- events.

If you were unable to attend and have questions or comments about these focus areas, please do not hesitate to email these to cdo@pingelly.wa.gov.au. As the Tourism Strategy is developed, key milestones and additional opportunity to have your say, will be shared through the Shire News, as well as posted on the Shire's website and Facebook page.

In attendance: Pingelly Tourism Group (Boyagin Rock Working Group) | Friends of Pingelly Railway Station | Pingelly Recreation and Cultural Centre | Pingelly Museum and Historical Group | Pingelly Exchange Tavern | Arola's Café and Bakery

ROAD SAFETY REMINDER

When travelling through an area undergoing roadworks, please drive to the conditions and follow direction on all signage. Main Roads and the Shire's Works team thanks you!

BATTERY RECYCLING

The Shire Office will no longer be accepting used batteries for recycling, due to the risk of lithium batteries coming onto point-to-point contact.

Visit <https://recyclingnearyou.com.au/> for information on alternative ways to recycle batteries safely.

PROPOSED GREEN WASTE BURN

The community is advised, subject to weather conditions, the Shire is intending to burn green waste at the refuse site on Friday, 19th June 2020.

OUTDOOR GYM EQUIPMENT INSTALLED

During March suggestions were sought from the community as to the best location to install the outdoor gym equipment purchased a number of years ago. Following this period of feedback, Pioneer Park was chosen as an ideal location, due to the central accessibility for all residents, the shade available, and to enhance passive recreation opportunities at the park.

POOL MAINTENANCE

While the Swimming Pool is closed during winter, we are undertaking maintenance to the 50m pool to ensure it's in tip top condition for the 2020-21 summer. Last week 1.3 million litres of grey water was recycled and filtered through the new Rennet Street Drainage Flume to the Realm Street Dam to enable works to begin. Thankyou to the Pingelly SES and Fire Brigade for lending their time and Fast Fill Trailer to make this possible!

Last week, the outdoor gym equipment was installed to coincide with the WA Government's Phase 3 Roadmap to ease COVID-19 restrictions, where playgrounds and outdoor gym equipment have reopened. Each piece of equipment has instructions affixed to the side. Additional pictures can be viewed by visiting the Shire website.
