

## CARAVAN PARK MASTER PLAN

The Shire of Pingelly is inviting comment on a draft Masterplan for the Pingelly Caravan Park. This Plan establishes a clear vision and high-level ambition for the future of the Park.

The full Plan is attached to the Shire News. In brief, the proposal includes:

- An upgrade to the Park to include a total of 22 sites, with a mix of powered, unpowered, drive through, camping and chalet sites
- An additional exit point to the north west of the Park
- Upgraded ablutions and camp kitchen area
- A recreation/play area to the north east of the Park
- Provision for a total of 5 chalets, with two to be developed initially
- Detailed consideration of landscaping requirements
- Visitor parking spaces

The Plan is not a detailed design, and doesn't represent specific funding or staging commitments. Rather, it establishes a roadmap to guide future improvements. Delivery of the Masterplan would be progressed over a number of years, through seeking external funding for major stages, and also through Council's annual budgeting process.

We are now seeking submissions on the draft Plan to inform the final design. Submissions will close on Friday 28 August 2020.

## GO LOCAL FIRST CAMPAIGN LAUNCHED

The Council of Small Business Organisations Australia has launched the GO LOCAL FIRST campaign to help local businesses get back on their feet following the peak of COVID-19 in Western Australia. When local businesses thrive, the community thrives and the economy prospers. To support this important message the Shire will be featuring a 'Local Heroes' segment across its website, social and print media to showcase our local businesses.

To be involved get in touch with Sam Kempton, Community Development Officer, 9887 1066

## RETAINING WALL INSTALLED AT THE RAILWAY STATION

The retaining wall at the northern entry to the Pingelly Railway Station was completed last week, after an amazing day's work by local volunteers and contractors!

This project is tip of the iceberg for the Friends of Pingelly Railway Station Inc which embarked on a journey 5 years ago to ensure the building remains in the social and community fabric of Pingelly.

The retaining wall project was funded by the Shire's 2019/20 Community Grant Scheme.
