PLANNING BEGINS FOR 2020 PARTY ON THE OVAL!

It may only be August, but planning for this year's Party On The Oval is already underway. During last week the Pingelly Development Association passed the torch onto the Shire of Pingelly to coordinate the event moving forward.

We would like to extend a big thank you and congratulations to Pingelly Development Association for all their efforts throughout the years, as well as for making the time to support the transition process during the Shire's pilot year taking the lead role.

Be sure to keep abreast of the events taking place within the community by bookmarking the Shire's Event Calendar: <https://www.pingelly.wa.gov.au/events>

KEEP AUSTRALIA BEAUTIFUL WEEK RECAP

Keep Australia Beautiful Week is held late August each year to raise awareness about the simple things we can all do in our daily lives to reduce our impact on the environment. 2020 has been an unprecedented year with COVID-19 and has created new challenges for recycling and waste management.

- Single-use masks, tissues and antibacterial wipes cannot be recycled and must be thrown in the general waste bin.
- Reuse plastic containers as many times as possible and then place in a recycling bin. Ensure they are clean first!
- Only recycle clean pizza boxes where they are clean. Tear off dirty parts and discard in the general waste.
- Avoid Styrofoam as much as possible as it cannot be recycled and must be discarded in general waste.
- Plastic cutlery is too small for recycling and must be discarded in general waste. Alternatively, ask for no cutlery and use what you have at home.
- Refill travel-size hand sanitiser with a bulk bottle to maximise reuse.
