

HAVE YOUR SAY DRAFT TOURISM STRATEGY

The Shire of Pingelly, in partnership with the Pingelly Tourism Group, has drafted a Tourism Strategy based on the ideas and discussions captured from the community workshop held in June.

With participation from local businesses, community groups and local residents, the Strategy reflects a whole of community lens to supporting local tourism development in Pingelly during the next four years.

A whole of tourism sector approach was explored by considering five key focus areas that align the emerging opportunities within the capacity of our community. These focus areas include:

- Product and Experience Development
- Partnerships
- Infrastructure
- Marketing and Promotion
- Events

Next steps

The draft version of the Tourism Strategy is now available to view in-person at the Shire Office, or online from the Shire's website. The opportunity to submit any further feedback or comments will be open until 22 September, enabling the Pingelly Tourism Group and

Council to consider any proposed changes by October 2020.

In attendance: Pingelly Tourism Group (Boyagin Rock Working Group) | Friends of Pingelly Railway Station | Pingelly Recreation and Cultural Centre | Pingelly Museum and Historical Group | Pingelly Exchange Tavern | Arola's Café and Bakery
