Ph: 0459 678 154

WASTE COLLECTION

Every Tuesday

RECYCLING DATES

22 September 2020
and 6 October 2020

BOWLING GREEN SHADE STRUCTURE

The shade structure has been installed at the southern end of the bowling green, thanks to the many volunteer hours by the Pingelly Bowling Club.

The additional shade will increase comfort for local members, guests and visitors as we head into summer.

The Pingelly Bowling Club is an important social hub within the community, providing members with the opportunity to connect and be physically active in a light-hearted atmosphere.

This project was proudly supported by the Shire of Pingelly, and the Federal Government's Stronger Communities Programme.

R U OK? DAY RECAP

2020 has been a challenging year for many and circumstances have made it even more important for us all to stay connected and, for those who are able, be willing to support those around us.

This year, R U OK? Day aspired to help Australians know what to say when someone says they're not OK and guide them through how they can continue a conversation that could change a life.

For tips, see the flyer attached to this week's Shire News.

LICENSING | THURSDAY, 17 SEPTEMBER

Please be advised that licensing services will be closed from 2:00pm on Thursday, 17 September due to technical upgrades.

ALBANY HIGHWAY PROJECTS 2020-21

Main Roads will be undertaking a significant amount of road works on the Albany Highway between September 2020 and April 2021 to improve road safety and freight efficiency.

Seal widening on Albany Highway between Bedforddale Road Train Assembly Area and Williams (121km) is due to commence in early September 2020 and be completed by the end of December 2020.

Construction of a northbound overtaking lane, 20 kms north of Williams on the Albany Hwy is due to commence in September 2020 and be completed by the end of December 2020.

Intersection improvements on the Albany Highway at Crossman Road and Crossman Dwarda Road are due to commence in January 2021 and be completed by April 2021. The south bound rest area in between the intersections will also be upgraded.

For the safety of road users and road workers, there will be lane closures and speed restrictions. Road users are urged to slow down when approaching worksites, obey all signs and signals and show courtesy to other road users.

RESTRICTED BURNING PERIOD COMMENCING 19 SEPTEMBER 2020

Permits with conditions may be issued during this period for hazard reduction.

HAVE YOUR SAY: DRAFT TOURISM STRATEGY

The Shire of Pingelly, in partnership with the Pingelly Tourism Group, has drafted a Tourism Strategy based on the ideas and discussions captured from the community workshop held in June.

A whole of tourism sector approach was explored by considering five key focus areas that align the emerging opportunities within the capacity of our community. These focus areas include: Product and Experience Development, Partnerships, Infrastructure, Marketing and Promotion and Events.

The draft version of the Tourism Strategy is now available to view in-person at the Shire Office, or online from the Shire's website.

The opportunity to submit any further feedback or comments will be open until 22 September, enabling the Pingelly Tourism Group and Council to consider any proposed changes by October 2020.

With participation from local businesses, community groups and local residents, the Strategy reflects a whole of community approach.
