ENTRANCE SIGNS COMPLETED

Over the past few months, Lee on the depot team has been working tirelessly to complete the entrance signs on both the Northern and Southern ends of town as well as the sign at the Shire Office. These entrance signs have been situated in the same location for quite some time and were in need of a refresh. Many stories have circulated for years regarding the entrance signs, especially the story of the missing numbats who sit on the top of the wood log.

Thank you Lee for all your hard work to restore these fabulous signs back to their former glory.

TIDY TOWNS COMPETITION

The Shire of Pingelly recently submitted Pingelly into six out of eight categories in the Tidy Towns Competition. These categories include General Appearance, Containers for Change, Environmental Sustainability, Heritage & Culture, Young Legends and Community Action and Wellbeing. This is a fantastic opportunity for Pingelly to showcase all the amazing things we have to offer.

Judging for the Tidy Towns Competition will take place between the 9-21 September. The Shire of Pingelly will continue to work on ensuring Pingelly is a pleasant and well presented area. We strongly encourage the community to adopt a spot in the lead up to the Tidy Towns presentation, after all many hands make light work.

Winners of the competition will be announced in Perth during the month of October

The Shire of Pingelly was also successful in obtaining a litter grant for \$5000 from the Keep Australia Beautiful organisation to install decorated cigarette disposal poles within the main street to reduce the smoke butt litter of the pavement, roads and waterways.
