PEOPLE OF PINGELLY- PAST & PRESENT

Saturday was a delight! The community of Pingelly came together for the official launch of the People of Pingelly Past & Present Project. The People of Pingelly Past & Present Project is a Shire initiative funded by Future Drought Fund and delivered by Euphorium. The aim of the project was to collect stories from community members of their connection to Pingelly. Many people have shared their stories so far, with many more yet to be collected.

Shire President Mr Bill Mulroney started the day with formalities and introductions followed by a lovely Welcome to Country by Mrs Jan Kickett. Next was the fantastic Pingelly Primary School Choir and their choir teacher Mrs Amber Moulton. The kids set the bar for the day with their beautiful singing and melodies. What a fabulous contribution the kids and Amber made to the day.

Inside the Tennis room is where the stories came alive. The launch showcased several stories from various community members. Stories of how they came to Pingelly, the work of which they used to do and of course the famous Tulip Festival. Did you know one of the story tellers grandmother used to own the tea rooms here in Pingelly? And that another was a well known ball room dancer? Also there is musician who lives in Pingelly that is part of a rock band? There really was something special about listening to these stories and watching the faces of those who told them.

Thank you to Julian, Frankie, Minna and Rosie from Euphorium for spending many hours collecting these unforgettable stories and for organising the launch. Thank you to Mrs Jan Kickett for giving the Welcome to Country. To all our unique and wonderful story tellers- Thank you for sharing your stories with us all.

New stories will be released every website. Keep an eye out for the link next week.

TIDY TOWNS COMPETITION

The Shire of Pingelly recently submitted Pingelly into six out of eight categories in the Tidy Towns Competition. These categories include General Appearance, Containers for Change, Environmental Sustainability, Heritage & Culture, Young Legends and Community Action and Wellbeing. This is a fantastic opportunity for Pingelly to showcase all the amazing things we have to offer.

Judging for the Tidy Towns Competition will take place between the 9-21 September. The Shire will continue to work to ensure that Pingelly is pleasant and well presented. We strongly encourage the community and businesses to do what they can to their premises and pick up any litter that they see the lead up to the Tidy Towns presentation, after all many hands make light work.

Winners of the competition will be announced in Perth during the month of October.
