EVENTS, EVENTS, EVENTS

This past week saw 3 significant Shire events take place, starting off with the Pool Party on Friday afternoon. This was the first afternoon/evening pool party in some time and was very well attended with over 100 people through the gates.

Monday afternoon saw two very different but equally important launch events—Age is Just a Number and Youth Basketball.

'Age is Just a Number' is a fantastic Shire led initiative and collaboration with the Pingelly Primary School. This program brings older and younger people together to learn and experience life from a new perspective.

It kicked off with introductions and an exciting dice game; before moving on to a fun and creative activity where our participants, both big and small, showcased their amazing talents by creating self-portraits that were nothing sort of incredible. To cap off the day we enjoyed a refreshing fruit platter and had a blast.

We can't wait for next week's activity, which will be decorating cookies – it promises to be just as fun and exciting as our first session!

Youth Basketball, another exciting Shire led initiative and collaboration, this time with the Pingelly Police (thanks Marty)! We got straight into playing 3x3 with impressive technique on display. This was followed by a mixed game which made use of the full court. While this game was finishing, the snags were sizzling on the BBQ. A good end to a great afternoon. About 20 young people turned out—enough encouragement for the Shire and Police to agree to continue on a regular basis – as long as interest continues.

The launch was a great success. Turn out on Monday next week at 5PM for more great basketball fun!
