

## AGE IS JUST A NUMBER

The "Age is Just a Number" program has been running for several weeks, and so far, it has been successful in achieving its goals. The program has included a variety of activities that allow the seniors and the students to engage with each other and learn from each other.

First week saw our "Biggies" and "Littles" produce self-portraits. The students and seniors worked together to create self-portraits, with the seniors providing guidance to the students. This activity allowed the seniors to share their artistic skills with the students, while also encouraging the students to express themselves creatively.

One of the activities that the program has included is cookie decorating, which was this week's activity. The students and seniors worked together to decorate cookies, sharing tips and techniques along the way. This activity was not only enjoyable for both groups, but it also provided an opportunity for the seniors to share their baking skills with the young students. Plus the cookies were delicious.

The "Age is Just a Number" program will continue to include a variety of activities that encourage interaction and learning between the seniors and students. The next activity planned for the program is bingo. This activity will provide an opportunity for the seniors and students to work together, share strategies, and have fun together.

## PROHIBITED BURNING

The Shire of Pingelly advise that the Restricted Burning Period will commence on 1 March 2023 through to the 29 March 2023 (inclusive) or unless otherwise advised.

Permits to be burn are required during this period.

Please contact your local brigade Fire Control Officer if a permit is required.

## CEMETERY TOILETS

The Pingelly Cemetery toilets have been upgraded from a long drop to a conventional toilet, providing a more welcoming entrance to the town and improving facilities for cemetery visitors. The upgrade is a long-awaited development that will make a difference to those wanting to pay their respects to those who reside in the cemetery. The improved facilities are a positive step forward for the town and its residents, making the cemetery a more accessible and inclusive space for all.

## COMMUNITY GRANT SCHEME

Congratulations to the Friends of Pingelly Railway Station Inc. and the Pingelly Somerset Alliance Inc. on their success in securing funding from the Shire of Pingelly 2022/23 Community Grant Scheme Round 2. The Somerset Alliance's plans to hold an expo at the PRACC and the Friends of Pingelly Railway Station's initiative to recreate Paul Narducci's garden at the station are both worthy projects that will undoubtedly benefit the community.

Their hard work and dedication to enhancing the quality of life in Pingelly are commendable, and we look forward to seeing the positive impact these projects will have on the community. Well done to all involved!

CONGRATULATIONS

## WICKEPIN-PINGELLY ROAD UPGRADES

The Wickepin-Pingelly Road upgrade works are well underway. The road formation has been widened to 10 meters in parts, culverts have been replaced and upgraded. 100mm of stabilised gravel will be applied to sections of the road in preparation for a bitumen seal. It is anticipated that the bitumen will be laid in late April.
