The recent youth week in Pingelly and surrounds was an incredible week of fun and excitement for kids of all ages. The week was filled with various activities, including movies, inflatables in the indoor courts, bingo, pizza making, and laser tag on the oval.

The week kicked off with a movie screening on the first day, where the kids got to relax and enjoy some popcorn while watching Puss in Boots. It was a great way to kick start the week, and the kids were thrilled to have a relaxing and entertaining afternoon.

The following day was packed with fun activities with the inflatables in the indoor courts. The kids had a blast jumping and sliding on the bouncy castles, obstacle courses, and slides. The indoor courts were transformed into a paradise of fun and adventure, and the kids were beaming with excitement.

Wednesday saw the kids participated in an exciting game of bingo and trivia. The game was a great opportunity for the kids to develop their concentration, focus, and social skills. They played alongside their friends and had a great time, cheering and laughing throughout the game.

The next day, the kids got to showcase their culinary skills in a pizza making workshop. With dough, tomato sauce, cheese, and a range of toppings to choose from, they got creative and made some delicious pizzas. It was a great opportunity for the kids to learn a new skill, as well as bond over their love for pizza.

The week wrapped up with a bang with an exciting game of laser tag on the oval. The kids were divided into teams and battled it out in a friendly game of tag with laser guns. It was a thrilling and heart-pumping experience, and the kids were excited and energized throughout the game.

The success of the youth week activity was a testament to the hard work between the PRACC and the Shire of Pingelly. Together we spent weeks planning and preparing the activities, ensuring that each activity was fun, engaging, and developmentally appropriate for the kids. The organisers' commitment to creating a positive and safe environment for the kids was evident in the smiles on their faces.

In conclusion, the recent youth week activity in Pingelly and surrounds was an amazing week filled with fun and excitement for kids of all ages. The activities, including movies, inflatables, bingo, pizza making, and laser tag, were designed to engage the kids and help them build relationships with their peers. The event showcased the importance of investing in our youth and creating positive experiences that will help shape them into confident, resilient, and community-minded individuals.

ROAD CONSTRUCTION WORKS COMPLETED

The Shire's construction program has now been completed for the 22/23 financial year! The resealing works on Somerset street have been completed successfully. The project involved resurfacing the road with a new layer of bitumen to improve its overall condition and extend its lifespan. The works were carried out to a high standard, with minimal disruption to traffic and the surrounding community.

In addition to this, the reconstruction works on Pingelly-Wickepin have also been completed for this year. This project involved significant upgrades to the road infrastructure, including widening the road, improving drainage and relaying the road in places, good for another 40-50 years. The project was completed on schedule, and the improved road will provide safer and more efficient transport for the local community.

Another major construction project that is nearing completion is the reconstruction of the Review Street bridge. The bridge was in need of repair due to age and wear and tear, and the reconstruction work has involved significant upgrades to the structure to improve its durability and safety. The project is expected to be completed on time and within budget, and will provide an improved transport link for the local community.

Overall, it is good news that the major road construction works for this financial year are now finished. The completion of these projects will provide significant benefits to the local community, including improved safety, better transport links, and more efficient travel. The success of these projects is a testament to the hard work and expertise of the contractors and workers involved in the construction process.

2023 PINGELLY HERITAGE FESTIVAL

The 2023 Pingelly Heritage Festival was a spectacular event that brought history to life in this beautiful Western Australian town. Visitors from all over the region and beyond flocked to Pingelly to explore the rich heritage of the area and discover the hidden treasures that are normally hidden away from public view.

One of the highlights of the festival was the opportunity to explore historic buildings that are usually closed to the public. These buildings were opened up for the festival, giving visitors a rare glimpse into the past and the chance to learn more about the history of the area. From the grand old homesteads to the humble cottages, each building had its own unique story to tell.

Another major attraction of the festival was the soft opening of the newly renovated town hall. This historic building has been lovingly restored to its former glory and was the perfect setting for a display of sulkies and buggies. Visitors were able to get up close to these beautiful vehicles and learn more about their history and significance.

The success of the festival would not have been possible without the hard work and dedication of the many volunteers who gave up their time to make it happen. These volunteers opened their doors to the public and shared their knowledge and enthusiasm for the town's heritage, making the festival a truly memorable experience for all who attended.

The 2023 Pingelly Heritage Festival was a resounding success and a testament to the town's rich cultural heritage. It brought the community together to celebrate the past and to look forward to the future with renewed appreciation for the unique character and charm of this special place.

IVAN "IKE" PAGE

IN MEMORIAM

The Shire of Pingelly is sorry to hear about the passing of Ivan "Ike" Page, a dedicated community leader and beloved resident of Pingelly. As a Shire Councillor for 18 years and Council President for four, Mr Page made a significant impact on the community he served.

Those who knew him have spoken highly of his ability to listen and his unwavering commitment to the best interests of the community. As a local farmer and sportsman, Mr Page was deeply connected to the Pingelly community and worked tirelessly to improve the lives of its residents.

During his time as Council President, Mr Page oversaw the official opening of the Salvation Hall and championed numerous initiatives aimed at improving the quality of life for the people of Pingelly. His tireless efforts were supported by his wife, June, who was a constant presence by his side.

The Shire of Pingelly is undoubtedly grateful for the invaluable contributions that Mr Page made over the years. His passing represents a significant loss for the community, and he will be greatly missed.

On behalf of the entire community, we extend our deepest condolences to Mr Page's family and friends. May they find comfort in the knowledge that he leaves behind a legacy of kindness, dedication, and service to others that will never be forgotten.
