## PINGELLY COMMUNITY PLAN WORKSHOP

The Shire of Pingelly is currently reviewing the Pingelly Community Plan and would like to invite you to attend a Community Workshop provide you input to the future direction of the Shire.

The Pingelly Perception Survey conducted last year identified top community priorities. This survey was statistically significant with over 10% of the population participating. Following this survey the Shire has engaged CATALYSE to collate this feedback and other relevant data into a draft actions to address these identified needs. In the workshop, we will:

- Provide an overview of findings from the 2022 Pingelly Perception Survey.
- Seek your feedback on actions that have been suggested to address community needs.

The workshop will take place at **6pm to 8pm, Monday 22 May, 2023 at the PRACC.**

This is an important and valuable opportunity to have your say on how to best meet community needs over the coming 4 years. For more information or to RSVP, please contact Storm Nyssen at the Shire Office.
