RED'S ROUND 6 NOW OPEN

We are thrilled to announce that the highly anticipated sixth round of the REDS (Regional Economic Development Support) Grant is now open for applications! This is an incredible opportunity for aspiring entrepreneurs and established businesses alike to secure funding for economic development initiatives. With grants of up to \$150,000 available, the possibilities for growth and success are immense.

If you have been dreaming of starting or expanding your own business, now is the perfect time to seize this opportunity. The REDS Grant Round 6 is specifically designed to provide financial support to individuals and organizations eager to contribute to regional economic growth. Whether you have a revolutionary business idea or a well-established enterprise in need of a boost, this grant can help turn your aspirations into reality.

Added to the REDS grant, the Shire of Pingelly's Pingelly Industry Attraction Programme (PIAP) has another up to \$50,000 available for new/growing businesses in Pingelly. The Shire's PIAP grant can be used as the 50:50 contribution for the REDS grant, as long as the initiative matches both criteria.

The Shire also has an exciting proposition for those seeking a suitable location to establish or expand their business. The old courthouse, a historic building in our town, is now available for lease. This presents an extraordinary opportunity to tie together three remarkable prospects: the REDS Grant, your industry attraction program, and a prestigious location. Imagine the possibilities that await you by bringing these elements together.

It's time to take action and embark on your path to success. Don't let this opportunity slip through your fingers. The Shire can provide expert advice on these grants and help in creating your business case. Time for the REDS grant is limited so contact the Shire as soon as possible.

Please see the RED's Grant and Courthouse lease flyers in this weeks Pingelly Times.
