## EARLY LEARNING CENTRE UPGRADES

The Shire of Pingelly along with contractors have been working tirelessly on the new Early Learning Centre, to prepare for opening in November or December.

Inside the building consists of two separate areas, one area for REED Daycare and one for the two playgroups that are currently situated at the daycare building by Memorial Park. Improved facilities include a larger play area, dedicated kitchens, an office/staff room, a pre-kindy room, a sleep room renovated toilets facilities and two new playgrounds outside.

REED has successfully applied for a grant to fund the fit out of the new daycare now that the Shire has completed the structural renovations. The Shire is working with the playgroups to transform the playgroup area in inside and outside.

On the completion of the upgrades, the REED daycare will be able to offer more days of daycare than the current two days a week. Mothers will also be able to be in the same vicinity as their children who attend daycare, as both areas are completely contained and visually obscured.

We look forward to the next stage of the renovations and to see the outside areas come together and form a safe and fun play space for the children.

## THANK YOU RATES SPONSORS

These amazing businesses jumped on board this year and became our newest Rates Sponsors. Thanks to their generosity, the Shire of Pingelly is proud to announce some amazing incentives for the 2023/2024 financial year.

Prizes include:

- 1st Prize: \$1043
- 2nd Prize: \$400
- 3rd Prize: \$300 (savings account)

To enter the draw simply pay your rates in full by Tuesday 26 September 2023.

For the first time ever, the Shire has offered a further \$1043 prize for those who have paid their full rates during the last financial year. This is aimed at ratepayers on payments plans that otherwise would not be eligible for the traditional rates prizes.
