

TUTANNING WILDFLOWER DAY

The Tutanning Wildflower Walk celebrated its 60th anniversary on Sunday 24 September 2023 in glorious sunshine! Congratulations to volunteers from the Pingelly Tourism Group and all the other volunteers for a most successful day. Approximately 60 people turned out to celebrate the 60th milestone and were certainly not disappointed. Tour guides, Les Marshall and Doug Sawkins, started the day with an explanation of the local flora and soil types. This was then followed up on their separate walks, with each of them happily explaining the hoards of different flowers that we encountered along with their quirky behaviours. Such interesting guides who were full of knowledge and passion.

It was so exciting to see quite a little group of children coming along on the walks as well. They were kept entertained by the guides who actively engaged them with fascinating snippets of information. The trigger plants and the sticky honey dews were particular favourites. More entertainment waited them on return to the Centre with quite the range of craft activities to keep them occupied and happy.

The Tourism Group ensured there was of delicious food with a yummy morning tea before visitors left on the walk, and a great sausage sizzle lunch waiting for everyone's return. Of course, there were also more homemade treats!

Thumbs up and thank you to all involved. Visitors were treated to some amazing displays, right here in our own backyard. Lets look forward to a further 60 years and beyond.

MOORUMBINE 150 YEARS

The picturesque Moorumbine Church, steeped in history, celebrated its remarkable 150th anniversary on Sunday, September 24th, 2023, in an event that brought the community together in a heartwarming display of unity and heritage preservation.

The church, a true local treasure, was flooded with visitors who had come from near and far to mark this special occasion. The highlight of the day was the gracious presence of the Bishop Ian from Bunbury, who joined the congregation to lead the proceedings, adding a spiritual significance to the milestone celebration.

The 150th anniversary event was a testament to the enduring spirit of the Moorumbine community, dedicated to preserving its historical roots. With over 160 attendees, the lunch held at the Pingelly Regional Arts and Cultural Centre (PRACC) was a resounding success. The

PRACC deserves commendation for organizing a delightful spread of food that left everyone thoroughly satisfied.

A heartfelt thank you goes out to David Freebairn for driving the bus from Pingelly to Moorumbine, ensuring that attendees could join in the festivities without any hassle. The Pingelly Tourism Group and the Pingelly Men's Shed played their part in making the event comfortable by providing gazebos and assisting with setup, exemplifying the strength of community cooperation.

This milestone event not only celebrated the history of the Moorumbine Church but also showcased the community's unwavering spirit and dedication to preserving their heritage. It was a day filled with joy, gratitude, and a sense of unity among all who attended.

Congratulations to all those involved in organizing this unforgettable celebration, and here's to many more years of preserving the Moorumbine Church's rich history and the vibrant community it represents.

"Please may I express my grateful and heartfelt thanks for the efforts the Shire went to on the weekend to assist in these anniversary celebrations, which were deeply appreciated by the 140 or so people who gathered there, many of them relatives of the first families living in the area. To be able to transport people from Pingelly to the church, to have chairs and cover enough for the 90 people who could not squeeze into the church, to have the churchyard in such good order, to have a generator and a PA system and to be able to have lunch in the Pingelly Function room all contributed to a very special event. Please would you kindly convey my thanks to the appropriate people in the Shire for this generosity and assistance."
