### VERA Award 2023

The Shire has been recognised by DFES in the Volunteer Employer Recognition Awards for ensuring policies and procedures are in place to encourage staff to volunteer at emergency incidents whenever they occur.

The Shire permits St John's, SES, VRFS and BFB volunteers to leave work and attend emergencies at no expense to themselves. This may be for several days or several hours depending on the nature of the incident. This demonstrates that the Shire places a high value on volunteering within our community.

There were several significant incidents that Shire staff attended throughout the year including a large search and rescue as well as several fires. The Shire thanks all of our employee volunteers for their efforts and community spirit.

### Pingelly Primary School Choir

Congratulations to the Pingelly Primary School, the Primary School Choir, Ms Amber Molton and all involved with the School's Choir on telethon last Sunday. They put Pingelly on the map and made each of us proud.

The students will look back at this time as a highlight in their school careers. It was a very special occasion for them and for each one that helped make it happen.

### Community Achievement Awards 2023

The Pingelly Somerset Alliance is a finalist in the Community Achievement Awards. This is testament to their outside the box thinking, dedication and hard work over several years. The Shire of Pingelly wishes them all the best in the coming awards presentation. They deserve no less than the winner's medal.

### Firebreak Reminder

Please make your aware of the firebreak requirements for your property. Note that these requirements are different depending on if you are on farming land, townsite land or rural residential land.

For all properties, the firebreak requirements come into effect on 1 November 2023. If you have not already, you must ensure your property complies with your firebreak requirements. Our safety depends on it.
