PLANNING AWARD WINNERS

The Shire of Pingelly has won another award. This time, in the Local Government Team (Band 2-4) category at the Planning Excellence Awards. This award stands as a testament to our dedication to effective planning processes.

The Shire has taken a proactive stance to foster a harmonious relationship between the local government and development applicants. This ensures Pingelly is open for business and a good place to invest with the removal of red tape where possible. Staff work with applicants to facilitate the realisation of win-win outcomes for the town and applicant, recognising town planning as an asset rather than a liability.

The Shire also has undertaken significant transformative work through Amendments 6 and 7 of the Local Planning Scheme to improve and modernise the Scheme and make it easier to use. The tangible community benefits derived from this approach underscore the Shire of Pingelly's commitment to creating a planning environment that truly serves the needs of its residents.

PLANNED ROAD WORKS

Please be aware that road works will shortly commence on both Wickepin-Pingelly Road and Aldersyde Road. Clearing works will commence prior to Christmas with major works commencing on both roads in the new year. It is anticipated that these works will be ongoing for some time.

We kindly advise all motorists to exercise caution while navigating through the construction zones, as the safety of both drivers and road workers is paramount. Remember, the workers on site share the same goal of returning home safely, just like you. To ensure the well-being of everyone involved, we urge drivers to reduce their speed

and adhere to posted signage. Your cooperation is greatly appreciated as we work together to improve our roads. Drive safely.

CHRISTMAS CLOSURE

As Christmas draws near, we would like to take this opportunity to express our gratitude for your continued support throughout the year. In the spirit of the festive season, we want to inform you that our office will be closing for the Christmas period. Please be advised that we will be closed from 12pm on Thursday, December 21, 2023, and will resume normal operations on Monday, January 8, 2024, at 8:30 am. During this time, our team will be taking a well-deserved break to spend time with loved ones and recharge for the upcoming year. We appreciate your understanding and look forward to serving you with renewed energy and enthusiasm in the new year. Wishing you a joyful and peaceful holiday season.
