INTERNATIONAL DAY OF PEOPLE WITH DISABILITY

The Shire of Pingelly hosted a morning tea on Monday 04 December to raise awareness of the challenges people with disabilities face every day. The Shire's Community Development Officer, Ellen Cook made the following speech:

Good morning and a warm welcome to each and every one of you as we gather here today to celebrate the International Day of People with Disability. It is truly an honour to see such a diverse and compassionate group come together to embrace the richness that diversity brings to our lives.

Disabilities, as we know, come in all different forms—some visible and other not. Today, we unite to recognise the unique strengths and abilities that each individual possesses, irrespective of their challenges. It is a day to celebrate the triumph of the human spirit and the invaluable contributions of people with disabilities to our community, recognising town planning as an asset rather than a liability.

As we enjoy this morning tea, let us engage in meaningful conversations, share stories, and build connections that foster understanding and empathy. Let us celebrate the beauty of diversity and promote inclusivity in every aspect of our lives.

May today's gathering serve as a reminder that, together, we can create a world where everyone is embraced for who they are. Thank you for being a part of this important celebration, and let us make this morning tea a symbol of unity, acceptance, and shared humanity.
