BLESSING OF THE ROADS

In a heartfelt ceremony held on Thursday, March 28th, at Memorial Park, the community of Pingelly came together to mark the Blessing of the Roads. Led by Andrew Dover, Chief Executive Officer of the Shire of Pingelly, the event served as a poignant reminder of the paramount importance of road safety, particularly during the Easter Break.

The solemnity of the occasion was further accentuated by a moment of silence, a tribute to those who have tragically lost their lives on our country roads during previous holidays. It was a reminder of the fragility of life and the importance of cherishing every moment, especially when behind the wheel.

In an effort to raise awareness throughout the community, 15 seconds of sirens and lights illuminated the air, courtesy of Pingelly St Johns, Pingelly Fire Brigade, and Pingelly SES. This not only paid homage to the valiant efforts of emergency personnel but also served as a prayer for their continued safety as they serve the community.

Following the ceremony, everyone was invited to the Council Chambers for a morning tea, fostering a sense of camaraderie and unity.

The Blessing of the Roads is not merely a ceremonial tradition; it is a pledge—a promise to uphold the principles of safety, responsibility, and gratitude. It serves as a reminder that every journey embarked upon is not just a personal endeavour but a shared responsibility to ensure the well-being of all who traverse our roads.

As we navigate through the bustling highways and winding country lanes, let us carry the spirit of the Blessing of the Roads within our hearts. Let us drive with vigilance, respect, and empathy, knowing that by doing so, we honour the memory of those who have gone before us and pave the way for a safer, more compassionate community for generations to come.
