INDEPENDENT SECONDARY SCHOOL SURVEY CLOSING 1 MAY 2024

The Pingelly Community Plan 2023 has an action for the Shire to 'Facilitate opportunities for an independent, private secondary school to open in Pingelly'. An independent secondary school would be beneficial for Pingelly as a town and provide a service that is lacking within our community.

Your thoughts and opinions matter greatly. The Shire is seeking your feedback on the development of a small independent, private secondary school. To provide your feedback, please complete the survey by scanning the QR Code. The survey closes **Wednesday 1 May**.

TELECOMMUNICATIONS REVIEW

The Shire has been advocating on behalf of our community for improved telecommunications by making submissions to the WA Parliament's 'Inquiry into regional telecommunications in Western Australia' and the Commonwealth Parliament's '2024 Regional Telecommunications Review'. Mobile coverage is essential for emergency services, businesses and residents.

It is hoped that these submissions, will shine a light on the current situation and encourage for Telstra to invest in infrastructure to improve mobile phone coverage within Pingelly.
