SHIRE OFFICE ACCESS & FAÇADE UPGRADES

The Shire of Pingelly is currently enhancing the accessibility of its office building, with a series of exterior renovations aimed at creating a more inclusive, improved and welcoming environment for all community members. These upgrades are funded through a grant. In collaboration with a skilled architect, the Shire has planned and begun the installation of a longer, more accessible disability access ramp. This significant improvement ensures that individuals with mobility challenges can enter and exit the building with greater ease.

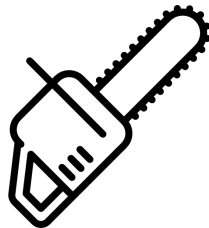

In addition to the extended ramp, the Shire office will see its entry doors improved. This modification is crucial for providing better access, accommodating wheelchairs, and making it easier for everyone to navigate the building's entrance. These changes reflect the Shire's commitment to inclusivity and its ongoing efforts to meet the diverse needs of its residents.

The façade of the building will also be updated, improving the overall appearance of the building. During this period of construction, we kindly ask for your patience. The work is expected to continue for several weeks. There may be temporary disruptions, however, these short-term inconveniences will lead to long-term benefits, ensuring the Shire office is accessible to all.

The Shire appreciates your understanding and cooperation as we work towards a more inclusive and inviting community space.

TREE LOPPING JINGARING ROAD

Please be advised that Jingaring Road will undergo tree trimming over the coming weeks. This maintenance will also extend to a few other roads in the vicinity. We ask all drivers to exercise caution and be mindful of workers and equipment in these areas. Your cooperation and patience are greatly appreciated as we work to ensure safety and improve road conditions.

OFFICE CLOSED FOR PUBLIC HOLIDAY

The Shire of Pingelly wishes to inform all residents that the office will be closed on Monday, 3 June in observance of the public holiday. To ensure that all necessary transactions and services are completed in a timely manner, please plan to finalise any licensing, permits, or other assistance you require from the Shire office by Friday, 31 May.

The office will resume normal operations on Tuesday, 4 June at 8:30 am. We appreciate your understanding and cooperation during this brief closure and encourage you to make any necessary arrangements ahead of time to avoid any inconvenience.

NATIONAL VOLUNTEER WEEK

On Wednesday, May 22nd, we had the pleasure of celebrating National Volunteer Week at the PRACC. This year's event was particularly special as it coincided with WOW Day, dedicated to honouring the incredible efforts of the State Emergency Service (SES) volunteers.

We were delighted to welcome around 50 guests, creating an intimate and engaging evening. The warmth of the gathering was matched by the exceptional hospitality and delicious spread of food provided by the PRACC team. Their dedication to making the event memorable did not go unnoticed.

A heartfelt thank you to everyone who attended and contributed to the success of the celebration. Your presence and support truly exemplify the spirit of volunteerism that we cherish. Here's to our amazing volunteers for their unwavering commitment to our community.

THANK YOU VOLUNTEERS
