

NEW CHILDCARE & PLAYGROUP BUILDING TO OPEN

The Shire of Pingelly is pleased to announce that REED Childcare is relocating to a new and improved facility. Effective from the 9th of July, REED Childcare will cease operations at its original location in town and begin serving our community from the newly reconstructed building at the old bowls club.

This new facility has been meticulously designed to meet the needs of the children and staff. The interior has been fully fitted out to create a comfortable and safe environment for the Childcare services, while the exterior boasts a brand-new playground, ensuring a fun and engaging space for our little ones to enjoy.

In addition to the Childcare, the building will also accommodate both local playgroups. A separate area within the building has been remodelled to suit the playgroups' activities, and an outdoor play space has been constructed by our dedicated Shire works crew. This thoughtful design allows the Childcare and playgroups to operate simultaneously without any impact on each other, ensuring a harmonious and efficient use of the facility.

REED Childcare will continue to provide its valuable services, now operating four days a week, from Tuesday to Friday, between 8:30 am and 4:30 pm. The playgroups will be transitioning to their new space shortly, and we are excited about the enhanced opportunities this move will bring for our community.
