

COMMUNITY & EVENTS GRANT OPEN

We are excited to announce that Round 1 of the Shire of Pingelly's 2024/2025 Community & Events Grant Scheme is now open for applications. This funding opportunity is available to individuals, community groups, organisations, and businesses. Whether you have a new project in mind, need support for an ongoing initiative, or are planning an event that will benefit our community, we encourage you to apply. Detailed guidelines and application forms are available on our website, or you can visit the Shire office for more information and assistance.

Ph: 0459 678 154

WASTE COLLECTION Every Tuesday

RECYCLING DATES

6 AUGUST 2024

SNAP SEND SOLVE!

MEMORIAL PARK LIGHTING

Memorial Park has recently seen the installation of new lighting. This addition significantly enhances the park's safety and accessibility for those who wish to enjoy the space during evening hours. The improved lighting will also help deter unwanted activity on the main street, ensuring a safer environment for our community. We encourage everyone to take advantage of the beautifully lit park and enjoy all it has to offer, day and night.

SPEED SIGNS

As you may have seen by now, we recently installed electric speed signs along the Main Street. These innovative signs feature smiley face indicators designed to promote safe driving and enhance the overall safety of our community. The smiley face indicators provide instant feedback to drivers, ensuring they are within the designated 40km/h speed limit. This friendly reminder encourages responsible driving habits and helps maintain a safe environment for both pedestrians and motorists. The new signs are part of our ongoing commitment to improving road safety and making Pingelly a safer place for everyone. We appreciate the cooperation of all drivers in adhering to the speed limit and making our streets safer for all.

BIKE RACKS & REPAIR STATIONS

We're thrilled to announce that new bike racks and repair stations are about to be installed around Pingelly! These additions will be placed in various locations throughout our town, making it easier and more convenient for everyone to ride their bikes. Whether you're commuting to work, exploring our beautiful surroundings, or just out for a leisurely ride, these bike racks will provide safe and secure parking for your bicycles. The repair stations, equipped with essential tools, will ensure that you can handle minor repairs and keep your bike in top shape. This initiative aims to promote healthier lifestyles by encouraging more people to embrace cycling as a mode of transportation and recreation. We believe these new facilities will enhance the cycling experience for everyone in our community.
