Community Grants 2019/20

Community Grants have now opened for 2019 and close on Friday 29 March 2019. This is an excellent opportunity for local community groups, clubs and organisations to secure some funding. All applications must be submitted to the Shire office by 29 March 2019 to be considered. Once all applications are assessed they will be put to Council for consideration for the 2019/20 financial budget. Once this process is completed you will be notified of the outcome in the form of a letter as per the Community Grant Scheme guidelines.

Please note the funding policy guidelines that if your application is successful Council's contribution will generally be limited to one third of the total project value up to \$5,000. Each application needs to outline matching in kind or matching funding to support your application.

Grants are generally paid on submission of receipts and evidence of project completion. This may be varied by prior agreement with Council.

For more information and application packages please contact the Community Club Development Officer, Kristel Steel on (08)9887 1066 or visit www.pingelly.wa.gov.au.
