Memorial Park was full of energy and enthusiasm on Saturday with the start of Harmony Week underway! Under the guidance of Crossway Wools and Fabrics the community learnt how to crochet yarn, while local experts refreshed their own skills, to develop temporary street art known as yarnbombing.

Thankyou to the volunteers from Pingelly Tourism Group and Friends of Pingelly Railway Station for running a sausage sizzle, drinks and cake stall fundraiser throughout the morning, as well as to the Pingelly Craft Centre for producing 120 crochet squares.

The Community Installation Day planned for Saturday 21 has been postponed due to the COVID-19 situation, and will take place as soon as Government advice is received that events are safe to proceed.

The yarnbombing project is a collaboration between Shire of Pingelly and the Pingelly Community Resource Centre, supported by the Department of Local Government, Sport and Cultural Industries, Department of Local Government, Sport and Cultural Industries, Wheatbelt and Office of Multicultural Interests as part of Harmony Week.

CRICKET NETS

Work is progressing to install two new Cricket Nets at Pingelly Town Oval. This project is being supported by the Shire of Pingelly, Pingelly-Noonebin Cricket Club and Department of Local Government, Sport and Cultural Industries, Wheatbelt's Community Sporting and Recreation Facilities Fund.

The DAIP sets out the Shire's commitment to shaping a welcoming and inclusive community. We need your help to identify opportunities to improve how people living with a disability access information, facilities and services within the Shire. For further information contact:
