

THANKYOU!

We would like to thank everyone for limiting contact to essential transactions during this time, and using phone and email as the primary method of contact. We're continuing to ask you to stay home - but we're still here to help. The Shire Administration building remains open at this point with strict hygiene and social distancing measures in place. This may change as further directives are received from the State and Federal Governments.

The safety and wellbeing of the community continues to be our priority in this fast moving environment. Playgrounds, the skate park and public barbeque areas in the Shire of Pingelly are now closed to the public in line with the latest Federal Government direction regarding the management of the COVID-19 pandemic. Members of the public are further advised to only leave their homes to exercise, receive medical care, shop for essentials, or travel to work or education.

The Premier has announced additional travel restrictions within Western Australia to reduce the spread of COVID-19. From midnight Tuesday 31 March, Western Australians will not be permitted to leave their regional boundary. Details, including the exemptions that apply and the regional boundaries, are available on www.wa.gov.au.

The Coronavirus Australia app has been released, and is available from the Apple App Store and Google Play. This app can be used to stay up to date with official information and advice, receive important health advice, obtain a quick snapshot of the status of Coronavirus within Australia and to access a 'symptom checker' if you are concerned about yourself or someone else.

Please continue to play your part in keeping our community safe, and don't forget to support our fantastic local businesses as they operate during this challenging time. Any community members or businesses that need support over this period are encouraged to contact the Shire for assistance.

HOW TO POSTPONE YOUR COMMUNITY GROUP'S AGM

Below is information from the Department of Mines, Industry Regulation and Safety Consumer Protection regarding AGMs in light of the social distancing and restrictions period.

Postpone AGM

If the AGM looks unlikely to be held within the required 6 month period, clubs and associations can apply for an extension for an additional 3 months by completing Form 3. The fee is currently being waived. If a further extension is required, this can be applied for within the 3 month period.

Facilitate a Remote AGM

If the association rules allow organisations to use technology to run general meetings, they can conduct their AGM remotely. The WA model rules do allow the use of technology, but if it's not practical for the organisation to do so, or if it is not the preferred option, they can apply for an extension to hold their AGM using Form 3.

To be emailed a copy of Form 3 or for further information contact:

APRIL WORKS UPDATE

Works are progressing on the Bodey Street and Harper Street intersection realignment.

RESTRICTED BURNING PERIOD

Please note that the Fire and Emergency Services Commissioner has extended all restricted burning times across Western Australia (excluding the Kimberley & Pilbara regions) until the end of April 2020. This extension will come into effect on Wednesday 1 April 2020 and will be reviewed again before the end of April.
